**AMENDMENT TO CERTIFICATE OF PUBLIC GOOD ISSUED  
PURSUANT TO 30 V.S.A. SECTION 231**

IT IS HEREBY CERTIFIED that the Public Service Board ("Board") of the State of Vermont this day found and adjudged that, pursuant to 30 V.S.A. § 231(a) and subject to the conditions set forth herein below, the general good of the state will be promoted through the amendment of the Certificate of Public Good ("CPG") issued in Docket 6545, held by Entergy Nuclear Vermont Yankee, LLC ("ENVY"), and Entergy Nuclear Operations, Inc. ("ENO") (ENVY and ENO are jointly referred to as "Entergy VY"), to extend the authorization for the ownership and operation of the Vermont Yankee Nuclear Power Station (the "VY Station") to include the period of March 21, 2012, through December 31, 2014, and the continued ownership of the VY Station thereafter solely for the purpose of decommissioning. Accordingly, the CPG issued on June 13, 2002, in Docket 6545, is amended as follows:

1. Entergy VY shall comply with each of the provisions of the Memorandum of Understanding among Entergy VY, the Vermont Department of Public Service, and the Vermont Agency of Natural Resources dated December 23, 2013, which is attached to, and incorporated into, this CPG.

2. Without affecting any of Entergy VY's other obligations (including, but not limited to, its current and future obligations under condition 12 of the Public Service Board's Order of June 13, 2002, in Docket 6545, and Condition 5 of the CPG issued on the same date in Docket 6545), the requirement that Entergy VY submit a report by June 13, 2014, related to post-shutdown activities at the VY Station is waived.

This right to own and operate the VY Station pursuant to this CPG other than for the purpose of decommissioning shall expire on December 31, 2014.

The terms and conditions of the CPG issued in Docket 6545 on June 13, 2002, otherwise shall remain in full force and effect.

Dated at Montpelier, Vermont, this 28th day of March, 2014.
